Putnam and Danielson Uncertain.

The reason for this is that in all probability the circuit of the league may have to be changed this year and some new towns taken in. At least that is the present outlook. Putnam, as far as the C. A. C. team that played in the league last year is concerned, is out of it for this season. They say they lost money last year and are willing to give someone else a chance at the game. This does not mean, however, that Putnam will surely be out of the league next summer; but Sunday will be the time for the Putnam people interested in getting a franchise to be present at the meeting and tell the league directors what they propose to do about putting a team in the field. This also applies to panielson. Manager Benoit of Taft-ville transferred a team there last this summer is not as yet known.
In any event, it may be necessary

President Abel L. Reeves of Danielson has called a meeting of the directors of the Eastern Connecticut Easeball league, to be held in Danielson at 2.30 o'clock next Sunday afternoon.

This is to be the annual meeting of the organization and the first that has been held since the close of the players.

However the league circuit is finally made up there seems to be a feeling the organization and the first that has been held since the close of the players. However the leaguers in this year among the leaguers in this been held since the close of the players. The handwriting is on the calling of the officers for the past year will also be heard.

Open for New Propositions.

All of last year's directors in the league will receive official notice of the calling of the meeting today (Monoday). It is expected that nearly all of them will be present, in addition, President Reeves has decided to issue an open invitation to all persons to be considered time to go back to present who are responsible and have a proposition to present for coming into the league has lived through two seasons, but the expenditures for players. seasons, but the expenditures for players last season reached a stage where it was simply a question of which town wanted to pay the most money

to win out,
It is hoped to get all the directors to come to an agreement to use only home players this year and by this means to perpetuate an organization that has a good field and furnishes a great deal of pleasure to the followers of the sport. Next Sunday they will get together and try to work out the problem to the satisfaction of all.

thought they were trimming their old school rivals.

The preliminary game was between the Crystals of New London and the Norwich Y. M. C. A. Juniors, which was won by the Crystals, 28 to 10, making their tenth successive victory this season.

Following were the lineups and summary for the big game:

Bulkeley—Arnold (capt.) and Becawith If, Marster and Troland rf, McGinley c, Beiber rg, Francis Ig.

Mighty Five—Swan, Rankin, Gallivan rf, Tuttle c, Donohue rg, Clish Ig. Summary: Goals from field, Beebe 6, Francis 2, Troland 2, Arnold 1, Beckwith 1, Gallivan 3, Swan 1, Tuttle 1. Goals from fouls, Arnold 1, Troland 1, Gallivan 2, Referee, R. S. Wall: scorer, Prince; timer, Beebe.

Lineup and summary for the junior teams: "Well, they caught us considerably off form, and beat us in good shape," was the explanation given out by the Norwich Bulletin's duckpin team upon their return from New London Saturday night, when the New London Day's duckpin five had defeated them two out of three games. that date was selected.

New York, Jan. 30 .- More National

New York, Jan. 30.—More National league players were ordered from the baseball field last year and afterwards suspended than in several years past. Whether it was rowdyism or more stringent application of the rules by umpires, 119 men were banished from the field and subsekuently 18 of them were suspended by Presidents Heydler and Pulliam.

In 1908 the arbitrators ordered 94 players to the clubhouses and in 1907 12. The late Harry Pulliam suspended 16 players in 1908 and 17 in 1907.

The Pittsburg team, which won the pennant, had the best behaved set of men. Only seven of its players were banished and none suspended. There was a great improvement in the deportment of the New York players, only 17 of them being sent from the field and none of them being disciplined by the National league's president.
